ADMINISTRATORS GUIDE THE ACTIVITIES

Blackhawk's first chief, Mr. James J. Richardson, took over the job as the first principal when the school opened its doors for the first time on January 31, 1972. From then until now he has capably guided the activities of our school. His warm, welcome personality and his efficient manner of getting things done have won him the respect and admiration of teachers and students.

Mr. Richardson received both the B.S. and M.S. degrees from Indiana State University. His special likes include camping and hiking. If he were not in education, he would enjoy being a forester. Mr. Richardson is friendly, slow to anger, and optimistic!

Sharing the many duties of administration is the assistant principal, Mr. David E. Clancy. Mr. Clancy is a combination of friend, counselor, and disciplinarian. His many duties include director of guidance, assemblies, lunchroom supervisor, books and supplies, buses, and general supervision. Even though every day is a full day, he is never too busy to offer a helping hand to anyone.

Mr. Clancy received both the A.B. and M.A. degrees from St. Francis College. His special likes include reading, eating, traveling, and golfing. If he were not in education, he would enjoy retirement! Mr. Clancy is courteous, kind, cheerful, generous, trustworthy, brave, and reverent.

GUIDANCE PERSONNEL COUNSEL STUDENTS

Mr. Robert Bultemeier, Guidance Counselor, received his B.S. degree from Indiana University and his M.S. degree from Ball State University. He likes sports and pizza; dislikes messy places and grouchy people. If he were not in education, he would like to be the chief inspector of Holiday Inns. He describes himself as tall, thin, and middle-aged.

Mrs. Arlyce Stearns, Guidance Counselor, has an A.B. degree from North Park College and an M.A.T. from the University of Chicago. She likes good novels, sewing, and cooking. She dislikes rude people and violence. If she were not in education, she would like clinical research. She considers herself conservative.

Mrs. Patricia Ann Tharp Guidance Counselor, received an A.B. degree from Indiana University and an M.S. degree from St. Francis College. She enjoys singing, crocheting, and reading. If she were not in education, she would like to do historical research. She considers herself "the glue in the generation gap".

Miss Kathy Nickell, school psychometrist, works with students on an individual basis in order to help them utilize their intellectual potential, to make them more aware of their strengths and weaknesses, and how to make the best use of this knowledge.
